

# CANADIAN GRAVEL GRINDER

62miles/100km

SEA OTTER  
**PLAY**

The Sea Otter Canada experience winds through the hills, vistas, valleys and villages of the Blue Mountains region of Ontario. This adventure ride features approximately 37miles/60km of gravel and 25miles/40km of pavement along the route.

From the top of Blue Mountain Resort, climb to the plateau atop the Niagara Escarpment before embarking on the rolling gravel roads toward the beautiful Beaver Valley. Along the way, riders can visit the quaint villages of Kimberley and Feversham, each with its own local charm. Looping back to the start, the final descent emphasizes the spectacular view over Georgian Bay before finishing at the Blue Mountain Village.
