

Coast to Capitol 280

174miles/280km

This down-under route is our second longest Challenge. This 174mile/280km road safari starts in the seaside town of Kiama. From Kiama Harbour, participants head to Jamberoo for the beautiful but steep climb up the Jamberoo Pass to Robertson in the Southern Highlands.

The spectacular route then threads through the Highlands via Wildes Meadow, Werai, Exeter and Bundanoon, then to Bungonia, Tarago, Queanbeyan and into Canberra, finishing in the Sea Otter Festival Village at Stromlo Forest Park.
